

# Your vote counts!

European Parliament Elections

**Thursday 6 June 2024**  
**from 07.30 to 21.00**

**Leiden**

*This is how it works* 

## Step 1: In the envelope from the municipality

The envelope contains your voting pass. You can use this to vote. Your name is on the voting pass. The envelope also contains this user guide and a list of polling stations.

Check the list of polling stations for a polling station in your neighbourhood.

Keep the voting pass and the list of polling stations in a place where you can find them again easily. **You need your voting pass to vote.**

## Step 2: What to do before you go and vote

You need an **identity document** to vote. This could be a passport, an ID card or a driving licence. If it has expired, it must be by no more than five years.

You can vote on **Thursday 6 june** from 07.30 to 21.00.

Think about who you want to vote for. Go to [leiden.nl/verkiezingen](https://leiden.nl/verkiezingen) or **call 14071** for information.

### Step 3: Go to the polling station

Bring your voting pass and your identity document. The polling station will check your voting pass and identity document.

Hand in the voting pass at the polling station. You will receive a ballot paper. Then you may enter the voting booth to vote.

Cast your vote. Use one red dot on the ballot paper to indicate who you are voting for.

Fold the ballot paper and put it in the ballot box.

## Extra: Asking someone to vote on your behalf

Are you not able to vote in person?  
Then ask a person in Leiden you  
trust to vote on your behalf.

Tell this person who you want to  
vote for. Both of you fill in the back  
of the voting pass. Sign the voting  
pass and give it to this person.

Also provide a clear photo or copy  
of your identity document. This is  
needed at the polling station.

The other person can now vote at  
the polling station. For themselves  
and for you.
