

How to vote

House of Representatives elections

Wednesday 29 October 2025
from 07.30 to 21.00

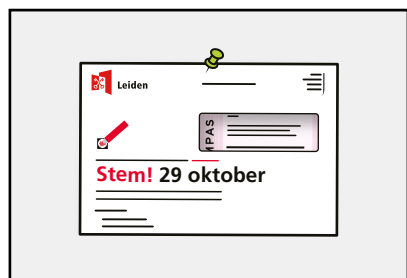

Leiden

This is how it works 

Step 1: In the envelope from the municipality

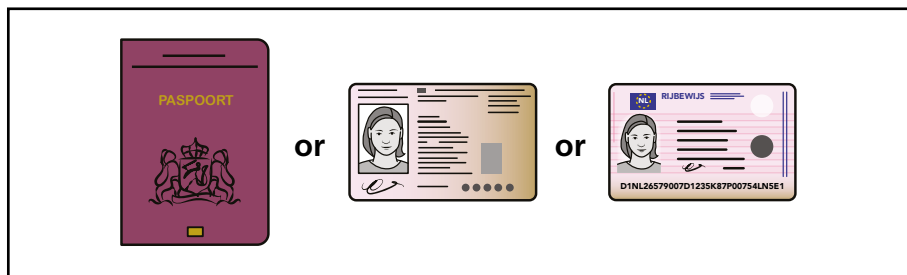

The envelope contains your voting pass. Your name is on this voting pass. You can use this to vote. The envelope also contains this user guide and a list of polling stations.

Check the list of polling stations for a polling station in your neighbourhood.

Keep the voting pass and the list of polling stations in a place where you can find them again easily. **You need your voting pass to vote.**

Step 2: What to do before you go and vote

You need an **identity document** to vote. This could be a passport, an ID card or a driving licence. If it has expired, it must be by no more than five years.

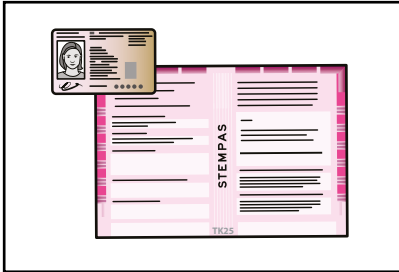

You can vote on **Wednesday 29 October** from 07.30 to 21.00.

Think about who you want to vote for. Go to **leiden.nl/verkiezingen** or **call 14071** for information.

Step 3: Go to the polling station

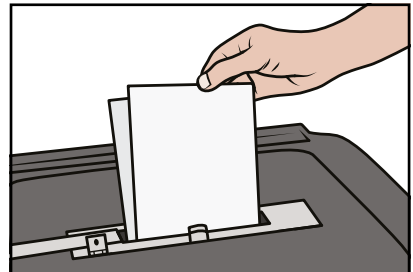

Bring your voting pass and your identity document. The polling station will check your voting pass and identity document.

Hand in the voting pass at the polling station. You will receive a ballot paper. Then you may enter the voting booth to vote.

Cast your vote. Use one red dot on the ballot paper to indicate who you are voting for.

Fold the ballot paper and put it in the ballot box.

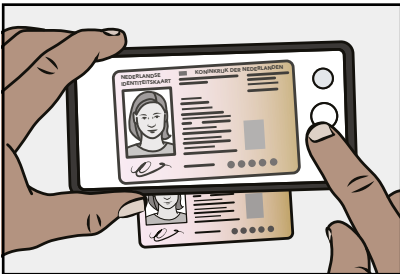

Are you not able to vote in person?

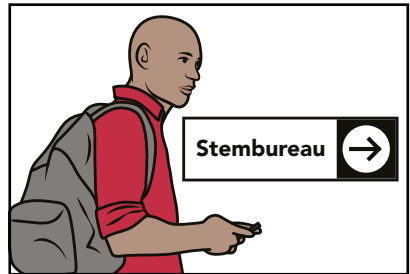

Are you not able to vote in person?
Then ask a person in Leiden you
trust to vote on your behalf.

Tell this person who you want to
vote for. Both of you fill in the back
of the voting pass. You both sign the
voting pass. Then you hand over the
pass to this person.

Also provide a clear photo or copy
of your identity document. This is
needed at the polling station.

The other person can now vote at
the polling station (stembureau). For
themselves and for you.
